

Columba Club (Previously Ladies Group)

The Ladies Group has been in existence for many years at St. Columbas with many different leaders.

In December 2018 Moira Allan and Margaret Humfrey took over the leadership until they handed over the reins to Mary Main and Val Pringle in July 2019.

Many thanks to Moira and Margaret for a job well done.

2019 started with the usual meal at the New Kent Hotel organised as usual by Mary Lobb. During the year there have been many interesting talks by speakers, fun nights, ie Beetle, crazy card game and Mars Bar game.

In July we went to the Robin Hood Inn for an evening meal. Very enjoyable despite a torrential downpour.

It was discussed in June 2019 that Men were to be invited to join the Group and there was a competition for a new name. Wendy Shaw won the comp. and the new name is now Columba Group.

Numbers of women and men now number from 16-21 and we meet on the third Wednesday of the month except at Lent and Summer.

Thanks to those who offer lifts and make teas and coffee.
