My name: _____

Palm Cross

You will need:

2 strips of card (one long and one short)

Glue

Instructions

1. Fold the two ends of the shorter strip of card in to the middle and glue the ends down.
2. Fold the longer strip of card from the top to above the middle and glue it down.
3. Glue the shorter piece of card to the longer piece to make a cross like the one shown in the picture.

EY - Last Supper - family, sharing, community

Jesus prays thanks for the bread, divides it, and hands the pieces of bread to his disciples, saying "Take, eat, this is my body."

Follow the instructions to make bread with your family at home.

Ingredients

500g strong white flour, plus extra for dusting
2 tsp salt
7g sachet fast-action yeast
3 tbsp olive oil
300ml water

Method

STEP 1 - Mix 500g strong white flour, 2 tsp salt and a 7g sachet of fast-action yeast in a large bowl.

STEP 2 - Make a well in the centre, then add 3 tbsp olive oil and 300ml water, and mix well. If the dough seems a little stiff, add another 1-2 tbsp water and mix well.

STEP 3 - Tip onto a lightly floured work surface and knead for around 10 mins.

STEP 4 - Once the dough is satin-smooth, place it in a lightly oiled bowl and cover with cling film. Leave to rise for 1 hour until doubled in size or place in the fridge overnight.

STEP 5 - Line a baking tray with baking parchment. Knock back the dough (punch the air out and pull the dough in on itself) then gently mould the dough into a ball.

STEP 6 - Place it on the baking parchment to prove for a further hour until doubled in size.

STEP 7 - Heat oven to 220C/fan 200C/gas 7.

STEP 8 - Dust the loaf with some extra flour and cut a cross about 6cm long into the top of the loaf with a sharp knife.

STEP 9 - Bake for 25-30 mins until golden brown and the loaf sounds hollow when tapped underneath. Cool on a wire rack.

Make sure you take a photo!

YEAR 2 - Gethsemane - time to reflect.

Activity

While you are out in the local area, or taking part in the Easter trail, have a stroll up to the top of Weetslade hill. Take some time to reflect on all the lovely things you have done during this period of time. While you're up there, take a selfie with all the wonderful views and attach it to this bit of paper.

What did you think of?

Now can you draw what you saw at the top of Weetslade hill. This can be a copy of your selfie, a birds eye view of Weetslade hill or a picture of all the scenery around Weetslade that you saw there.

YEAR 4 - Carrying the cross – resilience and endurance.

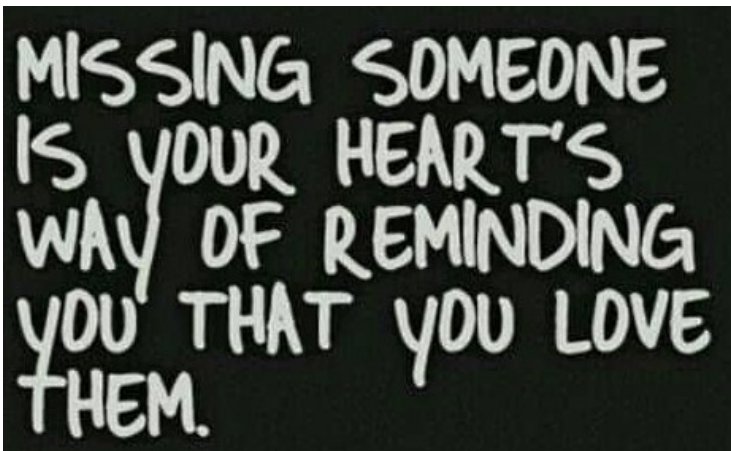

When you are thinking about Easter and resilience make yourself a resilience wheel. Fill each section with a way to help you keep calm and never give up. Make sure to decorate it and make it look great!

Forget me not

When we think back over the past year, there are many things we have lost, time spent together, celebrations, family gatherings, friends' birthdays, and the list goes on. It can feel so difficult to be apart from our loved ones, but reaching out to others reminds them that we have not forgotten what they mean to us, and we look forward to when we can be together again.

During this Easter period, write a message to someone you miss to let them know you're thinking of them. You could send them a card or a postcard in the post, or send them an email or a text.

YEAR 6 - Resurrection - transformation, new life

Activity

While you are out walking in the local area, or taking part in the Easter trail, which signs of new life can you see? Draw or write some examples of new plants or baby animals that mark the start of Spring!

Now can you draw a life cycle to show how new life begins? This could be the life cycle of a plant growing from a seed or the life cycle of an animal as it grows from a baby to an adult.
