The New Variant

To help stop the spread of the new variant additional vaccinations are launching in North Tyneside. You can book a vaccine at one of sixteen pharmacy led hubs across North Tyneside including both Seaton Burn and Wideopen pharmacies. You can also book at one of the larger vaccination centres, The National Booking System is available on <https://www.nhs.uk/book-a-coronavirus-vaccination/do-you-have-an-nhs-number> OR you can Phone 119, between 7am – 11pm.

Walk-ins

77.7% of people living in North Tyneside have had their first

dose of the COVID-19 vaccine - which is incredible! But the fight against the virus is far from over and we still have some way to go to get back to normality.

One part of returning to normality is to help as many people as possible in North Tyneside get their vaccine! First dose walk-in clinics are open across North Tyneside. These clinics allow those eligible to 'walk in' and receive their vaccination with no appointment. Please can you spread the word? The latest information will be found via this link (which is found on North Tyneside Councils [website](#))

Government guidance states your second dose should be given at 8 weeks if you are over 40, and 11 weeks for those under 40.
