Notices...

Keeping us all safe.. Church is open as usual!

We have decided that the procedures we have been using to protect us all, including face coverings indoors, ventilation and social distancing, will at present remain in place in church, and for hall users, We will review the situation regularly.

'Help us to be on the safe side!'

- ⇒ Wash your hands
- ⇒ Cover your face
- ⇒ Make space

From September

We have reintroduced servers—the role will be slightly different initially, but as measures improve will move closer to what it originally was. We are also starting to introduce some singing, with face coverings, but slowly, again looking at the indicators locally.

This week:

Wednesday's service is at 9.30 as usual. Next Sunday's services will take place at 10 and 4 and the 10am service will also be online from the usual channels. At our 10am service we will welcome Revd Gerard Rundell, our new Team Rector.

Refreshments!

Please do join us after services, weather permitting, on Sunday and Wednesday for tea / coffee in the vicarage garden. Please stay **socially distanced**.

Keep in touch!

Please don't hesitate to email/ phone/text if there is any way you think we can help you or indeed the community in this new phase.. and if you are in touch with anyone not on technology, do keep them informed and assure them of our love and concern for them.

Forthcoming:

The Book club will meet again on Zoom on 23 September at 7.30
The next book is Jean de Florette by Marcel Pagnol. Hope to see you all then - and until then keep safe !
Bill

latest studies show that COVID-19 infection rates are three times lower for double vaccinated people. If you haven't had your vaccine yet, please get it. From August 16, double jabbed individuals no longer need to self-isolate if they are identified as a close contact of someone with COVID-19 (but are still encouraged to take a PCR test, and would have to isolate if they are positive).

*A warm
welcome to
Gerard and
his family!*

The current 7-day infection rate in North Tyneside is up to 403 per 100,000 though locally (Weetslade ward) it is down a little to 283 per 100,000 people. Please follow Public Health guidance and wash your hands, wear a face covering in crowded spaces and give others plenty of space and fresh air. Get your jabs and test and self-isolate where required. **We can keep each other safe**
