## Notices...

**Keeping us all safe..** Church is open as usual!

We have decided that the procedures we have been using to protect us all, including face coverings indoors, ventilation and social distancing, will at present remain in place in church, and for hall users, We will review the situation regularly.

'Help us to be on the safe side!'

- ⇒ Wash your hands
- ⇒ Cover your face
- ⇒ Make space

**Harvest is today.** This year as last, we are collecting for the People's Kitchen, whose work has more than doubled over the past year—a situation which might get worse with cuts planned to Universal Credit. Thanks to everyone who has contributed.

### **This week:**

Wednesday's service is at 9.30 as usual. Next Sunday's services will take place at 8, 10 and 4 and the 10am service will also be online from the usual channels.

### **Refreshments!**

Please do join us after services, on Sunday and Wednesday for tea / coffee. We are indoors as the

weather gets colder but please **stay socially distanced, and sit at tables.**

### **Keep in touch!**

Please don't hesitate to email/ phone/text if there is any way you think we can help you or indeed the community.. and if you are in touch with anyone not on technology, do keep them informed and assure them of our love and concern for them.

### **Forthcoming:**

**The Book club** will meet again on Zoom on Thursday 21 October at 7.00 - the book will be Magpie by Elizabeth Day. It is a recent release and in hardback. Hope to see you all then - and until then keep safe ! Bill

At their anniversary we remember  
Patricia Ann Wheatley  
Maurice George Vacher

### **Next Sunday: A housewarming invitation**

On Sunday 10th October you are invited by Gerard and Karen to drop in to the Rectory for an informal hello! It also happens to be Gerard's birthday, but he says 'please don't bring presents or anything'. **Between 2pm-5pm** Gerard, Karen and the kids would be delighted to see anyone who would like to drop by. No need to RSVP just turn up at 60 Barmoor Drive!

### **COVID update**

Although it isn't a legal requirement from 19th, research shows that masks keep us and others safe. It is expected and recommended that people wear face covering in crowded areas such as public transport.

Vaccination is one of our best tools of protection against COVID-19, and latest studies show that COVID-19 infection rates are three times lower for double vaccinated people. If you haven't had your vaccine yet, please get it. From August 16, double jabbed individuals no longer need to self-isolate if they are identified as a close contact of someone with COVID-19 (but are still encouraged to take a PCR test, and would have to isolate if they are positive).

The current 7-day infection rate in North Tyneside is up very slightly at 373 per 100,000 and locally (Weetslade ward) it is up very slightly to 283 per 100,000 people. Please follow Public Health guidance and wash your hands, wear a face covering in crowded spaces and give others plenty of space and fresh air. Get your jabs and test and self-isolate where required. **We can keep each other safe**
