Coffee Morning

Our coffee morning brought a good response from the local community, and was enjoyed by everyone present. It raised the fantastic sum of £254. Thank you to everyone who supported it—there are some cakes still available today!

COVID update

Research shows that masks keep us and others safe. It is recommended that people wear face covering in crowded areas such as public transport. Vaccination is one of our best tools of protection against COVID-19. Get your booster if you can. The current 7-day infection rate in North Tyneside is down again a bit from last week at 272.4 per 100,000 and locally (Weetslade ward) it has dropped to 219.2 per 100,000 people.

Please follow Public Health guidance and wash your hands, wear a face covering in crowded spaces and give others plenty of space and fresh air. Get your jabs and test and self-isolate where appropriate. **We can keep each other safe**

We continue to pray for peace and for the people of Ukraine.

We continue to pray for peace and for the people of Ukraine.

A Prayer for Ukraine

Lord of all people and all nations,
We lift before you the people of Ukraine and
the people of Russia,
Each girl and boy, each woman and man living
in fear of what tomorrow might bring,
We long for the time you spoke of through
your prophet Isaiah,
When weapons of war would be beaten into
ploughshares,
When nation will no longer lift up sword
against nation,
We cry out to you for peace,
Protect those who only desire and deserve to
live in security and safety,
