#### COVID update

Research shows that ventilation matters a lot, and that masks keep us and others safe. It is recommended that people wear face covering in crowded areas such as public transport. Vaccination is one of our best tools of protection against COVID-19. Some of you are now receiving a fourth dose.

The current 7-day infection rate in North Tyneside is slightly down from last week at 257.6 per 100,000 but locally (Weetslade ward) it is up slightly to 219.2 per 100,000

Please follow Public Health guidance and wash your hands, wear a face covering in crowded spaces and give others plenty of space and fresh air. Test and self-isolate where appropriate. **We can keep each other safe**

We continue to pray for peace and for the people of Ukraine.

We continue to pray for peace and for the people of Ukraine.

## A Prayer for Ukraine

Lord of all people and all nations,  
We lift before you the people of Ukraine and  
the people of Russia,  
Each girl and boy, each woman and man living  
in fear of what tomorrow might bring,  
We long for the time you spoke of through  
your prophet Isaiah,  
When weapons of war would be beaten into  
ploughshares,  
When nation will no longer lift up sword  
against nation,  
We cry out to you for peace,  
Protect those who only desire and deserve to  
live in security and safety,
