Cranes for Ukraine

In Japanese culture the Crane is seen to represent peace and hope and an ancient legend promises that anyone who folds a thousand paper cranes will be granted a favour by the gods. The large wings of the Crane are thought to offer protection and paper cranes are often given as symbolic gifts. It is said that creating a thousand paper cranes can help a person heal and recover.

North Tyneside Art Studio aims to create a large scale origami installation of 10,000 yellow and blue cranes at the Tynemouth Bridge Gallery, Tynemouth Metro Station. They would like community groups such as ourselves to join in. Sam Burgess from NTAS will run an origami making social event on Wednesday 7th September 11am - 12.30pm to make cranes. Do come and contribute!

We continue to pray for peace and for the people of Ukraine.

We continue to pray for peace and for the people of Ukraine.

A Prayer for Ukraine

Lord of all people and all nations,
We lift before you the people of Ukraine and
the people of Russia,
Each girl and boy, each woman and man living
in fear of what tomorrow might bring,
We long for the time you spoke of through
your prophet Isaiah,
When weapons of war would be beaten into
ploughshares,
When nation will no longer lift up sword
against nation,
We cry out to you for peace,
Protect those who only desire and deserve to
live in security and safety,
